Mission to Bhuj

Could you spare 2 weeks to make a difference?

**January
2009**

We are looking for 20 active, positive people who want an experience of a lifetime taking part in our unforgettable mission to Northwest India next January!

Our mission takes us to Bhuj, the epicentre of the devastating earthquake in 2001.

International Rescue Corps were one of the first search and rescue teams to arrive in the aftermath of the disaster and you will be able to see the reconstruction effort since the 2001 earthquake.

With your fundraising, **Books Abroad** will commit to sending 80,000 books to schools and libraries in the area and you will have an first hand chance to see how these books will make a difference to the lives of local children.

Together with the Rotary Club of Bhuj as our partner there will be opportunity to volunteer some of your time to participate in community projects of interest to you; perhaps that's in the fields of education, healthcare or sport.

Inspired? With a commitment to fundraise £3000 (which includes your travel expenses) and a deposit of £100 you will have a whole new sense of purpose! I look forward to hearing from you!
